Our full suite of Financial Aid Services & Software can be tailored to the unique requirements of any institution. Whether you need software to automate your process or a turn-key outsource of your Financial Aid Processing, Fame can package a solution that will:

Ensure and Maintain Compliance

We can prepare and guide you through the Department of Education's Eligibility processes such as: Initial Eligibility, Recertification; Adding a branch/location, or Title IV Program; changes in Institution name, address or ownership.
Shorten Processing Times

We can review your student files for compliance with Federal Regulations, validate Verification and review or process R2T4's.

Reduce Costs

Our outstanding training staff provides comprehensive & effective programs that can be designed to meet your institution's needs.

Minimize Errors and Exceptions

Our team is only a phone call away to Interpret any Federal Regulations, or to answer any compliance questions you have.

Consulting Services

At Fame, we pride ourselves on the knowledge and expertise of our Consulting Team that enables them to provide a variety of valued services to our clients.

Decades of Experience

Compliance Expertise

Our financial aid consultants are compliance experts, ensuring that your awards to students meet regulatory requirements. By minimizing audits, we empower your administrators to serve their students.

Industry Knowledge

With 45 years of experience in the administration of Title IV funding and regulatory compliance, Fame extends our knowledge to your financial aid office.

Fast Processing Times

We understand the importance of cash flow to your institution and financial aid funds to your students. That's why we strive to process all financial aid awards within 48 hours of input.

Improved Student Satisfaction

With rapid need analysis, expedited processing and verification, your students receive their funds faster, making the enrollment and funding process a more satisfying experience.

Minimize Errors and Exceptions

Our workflow-driven process and compliance queues in our compatible financial aid processing software, combined with our consulting oversight, maintain error rates below 1%.
